Attention: Laura S. Fisher, Chief  
UST Leak Prevention Unit

Reference: FLEX-ING / UL Listed FIREFLEX Flexible Connectors for  
Flammable Liquids UL File MH25059

Dear Ms. Fisher,

FLEX-ING produces FIREFLEX flexible connectors that are U.L. Listed for flammable liquids and the component materials used in construction of the assemblies are compatible with biodiesel B100 and biodiesel blends including B20.

There currently is not a U.L. Listing for these items for use with biodiesel and biodiesel blends.

Please contact me if you have any questions or comments regarding this matter.

Best Regards,

Wayne Cooper

General Manager  
FLEX-ING
